@iangotts RT @passion4process: Bo Hu w/ SAP showing demo of "process guidance" pattern of social BPM at #BPM2010. >> care to share?

@juliebhunt RT @Global360IncBPM: RT @DebsG360: Xcelent summaries from @skemsley at #bpm2010: Research in People & Processes <http://bit.ly/cODkLm> #bpm #acmjiam #casemanagement

@chuckwebster ironic, #medinfo2010 & #bpm2010 confs same week, two different continents, much overlap! <http://www.medinfo2010.org> <http://www.bpm2010.org>

@passion4process Got excited by formula presented during "Self-adjusting Recommendations for Ad-hoc Processes" preso. Now u kno what turns me on. #bpm2010

our favorite

@skemsley wondering how many at #bpm2010 notice the bust of Frederick Taylor in the registration/break area

Don't miss the boat

Tonight is the long anticipated conference dinner. The Royal Princess will leave Weehawken's Lincoln Harbor at 7:00 PM for the dinner cruise. There are several different ways to reach the boat:

If you are in Hoboken:

A shuttle bus will run from street outside the Babbio Center to Lincoln Harbor at 6:00, 6:20 and 6:40 PM (and reverse after the end of the cruise).

The NJ Transit 126 bus to New York stops after the bridge to Weehawken, but before the Lincoln Tunnel (ask the driver if you are unsure). Buy your ticket on board (small change required). Walking time from the bus stop to the boat: 7-8 minutes.

If you are in Jersey City:

The Hudson-Bergen Light Rail (operated by NJ Transit) has a stop at Lincoln harbor that you can reach coming from Pavonia/Newport on the Hoboken/Tonnelle line in 11 minutes (e.g. leave at 6:30 PM, arrive at 6:41 PM). Buy and validate your tickets

before boarding. Walk across the parking lot to reach the Royal Princess dock.

If you are in New York:

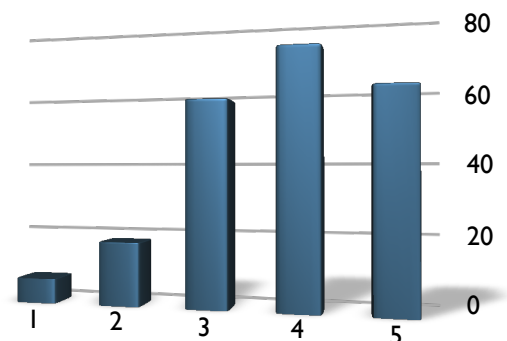

New York Waterways is running a ferry between West 39th Street (near Jacob Javits Center) and Weehawken. The Ferry ride takes 5 minutes, and the walk to the Royal Princess Dock takes 3 minutes.

If you are in Weehawken:

Walk from the Sheraton on the Hudson to the dock in 3 minutes.
